Professional Experience

Ontario Public Service, Ministry of Energy and Mines <i>Co-op Policy Analyst</i>	Toronto, ON, Canada Apr 2026 – Aug 2026
--	---

- Designed an Excel-based regulatory tracking dashboard for IESO's 2026-2028 rate application to OEB, consolidating key filings, timelines, and issues into a reusable template adopted for future departmental analysis.
- Developed briefing notes on Hydro One's AGM, quarterly financial results, and the federal Spring Economic Update, synthesizing financial, policy, and strategic developments into actionable insights for senior staff.
- Led an independent analysis of Hydro One's incentive rate-setting framework, evaluating historical OEB decisions, capital investment trends, and potential implications for its upcoming rate application.

BOCOM International <i>Associate</i>	Beijing, China Aug 2021 – Jun 2025
--	--

- Created 100+ PowerPoint pitchbooks with Excel graphs and pivot tables for clients (renewable energy, biotech, TMT, consumer), producing pitch materials directly praised by C-suite clients and used in investor meetings.
- Built 10+ interactive Excel databases with formulas and visualization to track market trends, solving complex data organization challenges and enabling rapid analysis across the department, increasing efficiency by 50%.
- Contributed to 5 completed Hong Kong IPOs through financial analysis, PE/PS valuation models, investor-facing materials and stock intakes.
- Advised 3 pre-IPO companies on business planning and investor messaging, translating management interviews into structured strategic plans and multi-draft roadshow decks.
- Promoted from Analyst to Associate in 18 months, significantly ahead of firm average, in recognition of initiative, analytical rigor, and reliability.

China Arms Control and Disarmament Association <i>Intern, Secretariat</i>	Beijing, China Jul 2019 – Sept 2019
---	---

- Drafted 10+ concise policy briefs on foreign policy topics (biowarfare, nuclear disarmament) for secretary general using multilingual sources; delivered rapid-turnaround summaries for high-level meetings.
- Researched and authored 10+ analytical policy reports on sanctions, export controls, and emerging security issues using English sources and data; synthesized findings into comprehensive Chinese reports for senior staff.

Xinhua News Agency <i>Intern, Journalist</i>	Manhattan, NY, USA May 2018 – Jul 2018
--	--

- Authored 15+ bilingual (English/Chinese) news and feature articles on U.S. political, economic, and cultural topics for Xinhuanet; several pieces were featured on its Twitter account, including three selected as "top articles of the week" and one interview that generated 150+ retweets.
- Conducted 20+ interviews, from on-camera Times Square street interviews to individual conversations with New York residents; independently pitched and developed story ideas.
